

# 2<sup>nd</sup> Public Meeting

## Inwood Land Drainage and Water Quality Project

Woolpert has completed most of its monitoring, modeling and analysis work with the Berkeley County Public Service Sewer District to evaluate plans for addressing flooding concerns in Inwood. Join us to discuss the plans and provide your input:

7pm Monday, May 17th  
Musselman High School  
Auditorium

*For questions or additional information, please contact  
Curtis Keller, of BCPSSD, at (304) 263-8566.*
